Derbyniwyd y wybodaeth ganlynol gan Cyng. Eric Jones – The following communication was received by Cllr Eric Jones

Annwyl Gyngorydd,

Mae Gareth Jones, Uwch Reolwr Cynllunio a Gwarchod y Cyhoedd wedi gofyn i mi eich diweddarau ynglyn a'r arian sydd yn deillio o'r uchod. Talwyd cyfraniad ariannol o £12,000 i'r Cyngor ar y 9 Medi 2013. Bu i mi hysbysu Kelvin Roberts, Swyddog Adfywio Bro o fodolaeth yr arian yma yr un diwrnod, a bu trafodaeth rhyngom ynghyd a pennaeth ysgol Llandwrog. Atgoffais Kelvin o barhad bodolaeth yr arian ar y 26 Mai 2015 pryd 'roedd dan yr argraff bod cais am ei wneud gan yr ysgol ar gyfer yr arian. Bu i mi gadarnhau ar y 1 Mehefin 2015 nad oedd unrhyw gais wedi ei derbyn a bod yr arian yn parhau ar gael. Nid ydwyf wedi clywed dim ers hynny, a deallaf bod Kelvin Roberts bellach wedi gadael cyflogaeth y Cyngor. Derbynais lythyr gan David Roberts, Clerc Cyngor

Cymuned Llandwrog ar y 5 Chwefror 2019 yn holi am yr arian, ac rwyf hefyd wedi derbyn e-byst gan Caryl Elin Lewis ar ran Ffrindiau Ysgol Llandwrog sydd yn awyddus iawn i wneud cais amdano. Yr wyf wedi siarad gyda Clerc y Cyngor Cymuned a Caryl Lewis, a deallaf bod pwyllgor ffrindiau'r ysgol yn y broses o baratoi cais ar gyfer yr arian. Hyderaf bod hyn yn ddigonol i'ch diweddarau o'r sefyllfa bresennol.

Derbyniwyd yr ymateb ganlynol gan Uwch Swyddog Mwynau a Gwastraff Cyngor Gwynedd

Nodaf eich gwrthwynebiad i'r rhybudd I weithredu'r hawliau datblygu a ganiateir o dan Rhan 23B I Atodlen 2 o'r GPDO 1995. Byddwn yn trafod gyda'r gweithredwr eich sylwadau parthed gweithio ar y Sadwrn ac osgoi amseroedd cludo plant l'r ysgol fel mesur o ewyllus da yn unig (*gweler yr ymateb I gwestiwn 4.1 isod*).

Buaswn yn ymateb isylwadau aelod y Cyngor Cymuned fel a ganlyn;

1.5 The calculation for time is way out if 20 ton loads 18 per week -360 tonnes per week, this equated to over 15,000 per year therefore only 4 years working to move the 60,000 tonnes why is 15 years needed, At 15 tonnes per load will only take 6 years

For the purposes of the GPDO 1995, the securing of a deemed planning permission under Part 23 involves;

- establishing that a tip is less than 2 Ha. in area
- submitting to the mineral planning authority a prior written 'notification' accompanied by \*appropriate details\*

No guidance is issued under Part 23B as to what may constitute \*appropriate details\*, only that it means the nature of the development, the exact location of the mineral-working deposit from which the material would be removed, the proposed means of vehicular access to the site at which the development is to be carried out, and the earliest date at which any mineral presently contained in the deposit was deposited on the land. A time limit imposed on the implementation of permitted development rights goes beyond the scope of appropriate details. The tip has been worked intermittently since the establishment of permitted development rights in 2004, where there have been instances of increased activity but also long periods when the tip has not been worked at all. The mineral planning authority considers that the notification provides a realistic assessment of the reserve held within the mineral-working deposit and that the estimated timescale of the development would allow for periods when market conditions dictate that it would not be economic or viable to work the site.

1.11 There is no environmental survey, note that previous application from Alexandra group contained a volume of relevant information

The Alexandra development was significantly larger than the 2ha threshold under under Part 23B to Schedule 2 of the GPDO and therefore subject to a full application for planning permission. With respect to the notification under Part 23B, it should be noted that the terms of the Order do not involve the Council in making or issuing any planning decision as such, in that it is the order itself that constitutes the actual permission with the appropriate details governing the scope of the development. The issue for the Mineral Planning Authority to consider here is the subjective judgement of permitted development constituting a serious nuisance to the amenities of the area and the discretionary power available under Article 7 to withdraw those development rights. For the purposes of Article 7, I would confirm that the site is not within an AONB, National Park nor any statutorily designated SAC or SSSI and is not contained within the boundaries of the proposed 'Slate Landscapes of North-West Wales' World Heritage Site bid which is site located over 1km south.

4.1 States 20 tonne loads, this opens the door to any vehicle carrying 20 tonnes which would include articulated HGVs, the condition should state GVW (gross vehicle weight) and should be limited to 20 tonnes, the terms of the previous condition which limited the traffic to tractors and trailers should be maintained.

The Mineral Planning Authority does not have any jurisdiction on the type of vehicle used to transport material from the site and similarly, the actual route taken by a Heavy Goods Vehicle once it enters the public highway, but it is likely that all haulage vehicles will use the section of connecting with Y Fron to access the County Road network. Provided that there is no weight restriction, any vehicle which is taxed, insured and with a valid M.O.T. is permitted to use the public highway network.

4.4 relates to above

Ditto

5.2 Working schedule, should be as previous, No Saturday working and allow 3 loads per day an increase from previous 2, a restriction on hours of vehicle movement to avoid periods of 8-9 and 3-4 when schools open and school traffic. should consider cut off period for vehicles as 1700 for the period of winter hours when too dark November to February.

I will discuss the issue of Saturday working with the operator and the avoidance of such times when children travel to school. Please note however that the restriction imposed on the 2004 notification and appropriate details took account of the transport route passing directly adjacent to Y Fron primary school and the associated drop-off points for pupils.

7 All agreements regarding reinstatement and regeneration are in this area the responsibility of the Snowdonia National park not the local planning authority

The entire area of the tip is within the jurisdiction of Gwynedd Council as Mineral Planning Authority. The National Park boundary lies approximately 340m south-east of the site.

8 Identify and log all elements related to old workings and consider any that could be donated to Y Canolfan to be used in future exhibits, displays

This goes beyond the requirements of the Part 23B notification but for any historical records, I would suggest that you contact Plas Tan y Bwlch or the Historic Environments Record (HER).

9 Benefits clauses 3 and 4 need clarifying .

As previously mentioned, given the limited scope of appropriate details submitted with notification for the removal of a slate tip, a section outlining the benefits of the development goes beyond the requirements of Part 23B. Agricultural diversification was also mentioned in the original notification received in 2004 and whilst the development will provide additional employment for a local workforce derived from the agricultural sector, strictly speaking, the notification provides minerals based employment and economic benefits in its own right. Paragraph 5.14.12 of Planning Policy Wales version 10 (December 2018) recognises the contribution of recycled waste materials and secondary aggregates which should be taken into account where these can be used satisfactorily and realistically instead of primary land-won materials. In respect of slate as a source of aggregate, the Regional Technical Statement review produced by the North Wales Regional Aggregates Working Party states; “*In North Wales, crushed slate, derived either from slate waste (as a by-product of roofing material production) or quarried specifically for use as primary aggregate, features significantly in the overall pattern of supply, especially in Gwynedd*”.

The Anglesey and Gwynedd Joint Local Development Plan (JLDP) was adopted by the Councils on 31<sup>st</sup> of July, 2017. The JLDP replaces the previous adopted development plan for the Anglesey and Gwynedd Local Planning Authority areas. The JLDP sets out the land use planning framework for the Authorities. Following adoption of the JLDP the Councils are in the process of preparing a suite of topic based Supplementary Planning Guidance (SPG). SPGs provide guidance about specific policies contained within the JLDP. The Councils wish to receive your opinion on the Supplementary Planning Guidance (referred to above), which are subject to the current public consultation period. The public consultation will take place from the 21<sup>st</sup> of February up until the 4<sup>th</sup> of April, 2019. It is possible to view the SPGs that are the subject of the public consultation period on the Councils' website ([www.gwynedd.llyw.cymru/spg](http://www.gwynedd.llyw.cymru/spg) or [www.anglesey.gov.uk/spg](http://www.anglesey.gov.uk/spg)). Paper copies are also available for inspection in Siop Gwynedd (Caernarfon, Pwllheli and Dolgellau), the Joint Planning Policy Unit office (see details above) and the main Council Office in Llangefni. Further, it is also possible to inspect the documents in Gwynedd and Anglesey's public local libraries. In order to facilitate the process of submitting a representation on the Supplementary Planning Guidance an electronic form can be completed on line or you can download a copy from the Councils website or you can request paper copies from the Policy Unit. ## 10 Cludiant Cymunedol Dyffryn Nantlle Community Transport

*Wedi cylchredeg / Communication Circulated 7/03/19*

Annwyl gyfeillion,

Hoffwn eich gwahodd chi a'ch etholwyr i gyfrannu at brosiect i sefydlu cludiant cymunedol i ardal Dyffryn Nantlle (yn fras o Bontnewydd i Glynnog Fawr). Mae partneriaeth leol yn cynnwys O Ddrws i Ddrws, Antur Nantlle, Grŵp Cynefin, Arloesi Gwynedd Wledig, Age Cymru Gwynedd a Môn, Cyngor Gwynedd, Pant Du, y Community Transport Association a Siop Griffiths Cyf yn ymchwilio i anghenion pobl sy'n cael anhawster teithio'n lleol, un ai oherwydd anabledd neu oherwydd diffyg cludiant cyhoeddus lle maen nhw'n byw.

Mi fuasem yn falch petaech chi'n medru tynnu sylw eich etholwyr at ein hymchwil. Gallant gyfrannu mewn sawl ffordd:

- Dod i gyfarfod ddydd Mawrth, 26 Mawrth 2019 am 2 o'r gloch yng nghaffi Pant Du, Penygroes. Manylion yma: <https://tinyurl.com/cludiant>  
Bydd cludiant ar gael drwy fudiad O Ddrws i Ddrws: 01758 721 777.
- Ymweld â'n stondin ni yn niwrnod gwybodaeth Age Cymru Gwynedd a Môn ddydd Iau, 21 Mawrth yn hen gartref Bontnewydd. Eto bydd cludiant ar gael drwy O Ddrws i Ddrws.
- **Lawrlwytho ein holiadur anghenion teithio yma: <https://tinyurl.com/cludiant> – neu gysylltu â fi neu O Ddrws i Ddrws am copïau caled.**

Ar y dudalen we uchod mae holl daflenni a holiaduron y prosiect ar gael i'w lawrlwytho, gan gynnwys holiadur i ymarferwyr. Os hoffech chi rannu beth dach chi'n wybod am anhawsterau eich etholwyr, buasen ni'n falch iawn o dderbyn holiadur ymarferwyr gynnoch chi.

Petai gynnoch chi neu un o'ch etholwyr ddiddordeb mewn ymuno â grŵp llywio'r prosiect, neu mewn gwirfoddoli fel gyrrwr, cysylltwch ar bob cyfrif.

Wrth gwrs mae croeso i chi gysylltu efo unrhyw gwestiynau sy gynnoch chi, neu i ofyn am gopïau caled o unrhyw rai o'r dogfennau.

Diolch ymlaen llaw am eich cefnogaeth,

Marika Fusser, Ymchwilydd ar ran y prosiect

\*\*\*\*\*

I'd like to invite you and your constituents to contribute to a project to set up a community transport scheme in the Dyffryn Nantlle area (roughly from Bontnewydd to Clynnog Fawr). A partnership including O Ddrws i Ddrws, Antur Nantlle, Grŵp Cynefin, Arloesi Gwynedd Wledig, Age Cymru Gwynedd a Môn, Cyngor Gwynedd, Pant Du, the Community Transport Association and Siop Griffiths Cyf is currently researching the transport needs of people who are finding it hard to travel locally, either because of disability or because of a lack of public transport where they live.

We would be grateful if you could draw your constituents' attention to our research. They can contribute in several ways:

- Attend a meeting on Tuesday, 26 March 2019 at 2 o'clock in Pant Du café, Penygroes. Details here: <https://tinyurl.com/cludiant>  
Transport will be available through O Ddrws i Ddrws: 01758 721 777.
- Visit our stall in the Age Cymru Gwynedd & Môn information day on Thursday, 21 March in the Age Cymru building in Bontnewydd. Again transport will be available through O Ddrws i Ddrws.
- **Download our travel needs questionnaire here: <https://tinyurl.com/cludiant> – or contact me or O Ddrws i Ddrws for hard copies.**

On the above web page all the project's leaflets and questionnaires are available to download, including a questionnaire for practitioners. If you'd like to share what you know about your constituents' difficulties, we will be delighted to receive a practitioner's questionnaire from you.

If yourself or one of your constituents were interested in joining the steering group, or in volunteering as a driver, do contact us as well.

Of course you are also welcome to contact me with any questions you may have, or to ask for hard copies of any of the documents.

Many thanks beforehand for your support,

Marika Fusser, Researcher for the project

### **Cyf: Claddu Gwastraff Niwclar yng Nghymru**

Fel y gwyddoch, mae'r Llywodraeth ar hyn o bryd yn chwilio am gymuned a fyddai'n 'gwirfoddoli' i leoli gwastraff niwclear, cyfeirir at hyn yn swyddogol fel Cyfleuster Gwaredu Daearegol (*Geological Disposal Facility* neu *DSD*) yn Saesneg. Mae hyn yn ganlyniad o lefelau uchel wastraff niwclear, sy'n huanu o raglenni datblygu arfau a phŵer niwclear Prydain. Petai cymunedau yn cytuno i gladdu gwastraff, yna byddant yn cael eu gwobrwyo yn ariannol. Mae'n hysbys dylid cadw gwastraff niwclear yn bell o bobl a'r amgylchedd am filoedd o flynyddoedd, a chredwn ni, na ellid cyfiawnhau claddu gwastraff ar draul buddiannau ariannol tymor byr. Mae'n wir i ddweud, mae benthyg y presennol ydym gan ein plant a'r cenedlaethau sydd i ddod. Am ragor o wybodaeth gweler y daflen atotedig. Annogwn i bob cymuned a Chyngor i basio Cynnig, sef eu bod am ymrwngod a chladdu gwastraff niwclar (*DSD*). Bydd CND Cymru yn cadw cofnod o bob Cyngor Cymuned, Tref a Sir sy'n cytuno ar Gynnig i wrthod claddu gwastraff niwclear, byddwn yn rhaedru'r wybodaeth i Lywodraeth Cymru, gan ymateb i'w hymgyngoriad cenedlaethol. Byddwn hefyd yn cofnodi hyn ar ein

gwefan [www.cndcymru.org](http://www.cndcymru.org) o ddiwedd mis Mawrth ymlaen, gan rhannu hyn gyda'r cyfryngau. Taer obeithiwn y byddwch yn ystyried y Cynnig o wrthod claddu gwastraff niwclear, ac y byddwch yn ein hysbysu o hyn ar [heddwch@cndcymru.org](mailto:heddwch@cndcymru.org). Mae croeso ichi gysylltu â ni am unrhyw wybodaeth bellach.

### **No Underground Nuclear Waste Dump in Wales**

As you know, the government is currently looking for a Welsh community to “volunteer” to host an underground nuclear waste dump, officially described as a Geological Disposal Facility, to bury all the high-level nuclear waste from the UK’s nuclear weapons and nuclear power programmes. Any volunteering host community would be rewarded financially. We believe that leaving a legacy of nuclear waste, which needs to be isolated from humans and the environment for tens of thousands of years, cannot be justified by short term financial gain; indeed, we are borrowing the present from our children and future generations. Further information on nuclear waste can be found on the attached leaflet. We are writing to you to urge your council to pass a motion stating that your community will not volunteer to host an underground nuclear waste dump. CND Cymru will keep a record of every community, town, and county council that passes such a motion, and submit the list to the government’s consultation as part of our submission to the consultation. From the end of March, this list will also be available on our website [www.cndcymru.org](http://www.cndcymru.org) and will be released to the media.

Please consider passing such a motion, and inform us [heddwch@cndcymru.org](mailto:heddwch@cndcymru.org) if you do. If you would like any further information, please get in touch.
